

**Industrial Appraisal Company  
Announces the Option to Receive Your  
Updated Reports Electronically**

In an effort to better serve our clients, the Industrial Appraisal Company is pleased to announce that you now have the option to receive your **updated insurance summary electronically**.

**Receive your insurance summary in a PDF Format online through our CMS (Content Management System) or via email.** You still have the option of receiving one hard copy report along with the electronic copy. If you require more than one hard copy report, we can prepare and ship multiple copies for an additional fee.

If you would like to receive an electronic copy of your updated report, please complete the information listed below and send it to our office.

Additionally, we can also make available an electronic copy of the annual update to your agent at your agent's email address provided below.

If you have any questions regarding this new service, please contact us at 1-800-245-2718. You may download this form by going to [www.indappr.com](http://www.indappr.com) then to Revaluation menu then to "Electronic Report Request"
